Yvonne,

We really had some great times this year. I want you to know that I'm sorry about the first of this year, I wish it all could be forgotten.

I want to wish you the very best that life has to offer. You are one person who really deserves all that you get.

Thanks so much for the shoulder to cry on so many times. I don't know what I'd have done if you hadn't been in Circo with me.

Once again, the best to you. I hope to see you a lot this summer. Be sure to write me next year.

Love,

Well, it kinda looks like this year is shot. I'll always remember all the fun and good times we've had these past three years and especially this year.

Don't forget the notes in English and walking down town after school and the big 4 (maybe you'd better forget that.)

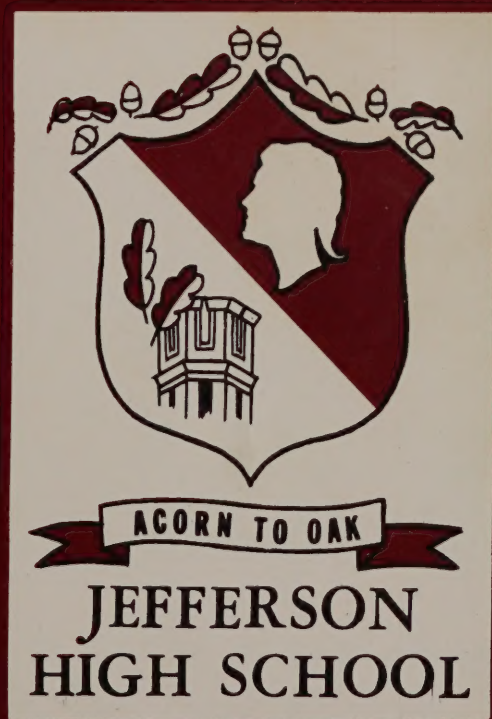

Sincerely, I'd like to wish you the very best of everything. I'm sure you'll do real well at Radford.

Have a blast this summer and y'all think about me once in a while. See ya around Christmas.

Love, Dave

#### ALMA MATER

To thee, our Alma Mater, Our hearts will e're be true,  
And so with lifted voices we sing our praise to you.  
Still through thy halls we wander, our friend you'll always be.  
Forever we'll be faithful, dear Jefferson to thee.

Best of luck to one of the nicest people at Jefferson. I've really enjoyed knowing you this year and you've been a great inspiration to me. Be good this summer

yvonne, I wish you all the good things in the world. You are very wonderful and sweet.

good luck  
Robert Skopshie

The ACORN first took root in 1910 at Roanoke High School under the masthead *Acorns of Roanoke*. The yearbook took its name from the popular local slogan of that time, "Acorns-to-Oak, That's Roanoke!," and was identified with student development. Just as an acorn becomes an oak, so the students, entering high school with their talents in the seed, may grow into mature, sturdy citizens. Then, as the emphasis shifted from the individual to the entire high school membership, the yearbook became known as the ACORN.

The boast "Acorns to Oak, watch Roanoke!" was justified until Roanoke's amazing prosperity gained her the title "Magic City." To meet this expansion, a new school—Jefferson—opened its doors in 1924. Here the yearbook became an inseparable part of school life, documenting the progress of generations of young Virginians who took their places as leaders in business society, education, and government.

Now we present to you the fifty-second ACORN, fuller grown, richer in tradition, adding proudly to the Legend of the Acorn.

## Foreword

This school year at Jefferson has definitely been a challenge and a period of adjustment for all of us. You, the students and faculty, are to be congratulated on the fine way in which you have accepted this task. In the years to come we will reminisce with pride in our many accomplishments and anticipate new heights of glory for our 1962 graduates.

You have every right to hold your head high and proudly exclaim, "I am a graduate of Jefferson Senior High School."

JERALD WHITE  
Principal

Dear Yvonne,

We are now going to graduate after being together for twelve years. Yvonne I will never forget you and your great personality. I will always be living in Garden City so don't forget me in the future. Best of luck to a great girl!!! Be good.

# Dedication

Our school life can be likened to a fabric into which we weave our many subjects, our activities—both in and out of school—our pleasures, our hopes, and our dreams. As the years pass, we realize that the continuing threads in our fabric are books and the one place to which we have gone for knowledge and pleasure throughout our school careers has been the library.

So—MISS FRANCES MILLER

To the one who has so patiently, cheerfully, and graciously kept the threads of our school fabric free of knots and tangles, smooth and strong and lovely,

We dedicate our 1962 annual.

Yvonne,  
Lots of luck to a  
darlin' girl with a  
fabulous personality.  
I hope you do your  
best at Radford. I  
know you will. Be  
good and I hope to  
see ya in the future.  
Love ya!

# Administration, Faculty

Mr. White, who is principal for the first time this year, has steered us in keeping Jefferson what it has always been. He is always willing to help us with our schedule or any other problems we might have. Although this is his first year as principal, he has been associated with Jefferson from 1941 to 1958. He was assistant principal from 1959 to 1961. He has helped to create the best and most contagious school spirit Jefferson has ever had, and our school will progress under his leadership.

## Boys' Attendance

The two secretaries of the main office are Miss Barbara Graesar and Miss Ruth Chesney. They are checking the I. B. M. figures for the report periods. Among the many ways in which Miss Graesar and Miss Chesney help the students are preparing absentee lists, and homeroom notices, and the periodic report every nine weeks. Students' letters of recommendation and college transcripts are important duties of theirs also.

Mr. Paul H. Steagall, who is in charge of the Boys' Attendance Office, gets off to an early start as he fills out absentee slips after checking students' notes from home for being absent the previous day. Regular attendance, on time, is stressed in order to maintain a good scholastic average.

Mr. Steagall is also a business teacher and is the first city school coordinator of the I. B. M. System.

The preceding page features heads of the different teaching departments of Jefferson, making plans for the 1962 school year. They are—

Mr. Sizer, Assistant Principal and Business Manager; Mr. Byrd, Head of the Physical Education Department; Mr. Wilson, Head of the Science Department; Mr. Comer, Head of the History Department; Mr. White, Principal of Jefferson; Miss Stalker, Head of the Math Department; Mrs. Dorsey, Head of the English Department; Mr. Maier, Head of the Printing Department. Not pictured is Miss Chambers, Head of the Business Department.

These departmental chairmen work closely with the other teachers in their departments coordinating courses of study and making current plans. They also work closely with administrators and with their own classes and individual students.

# and Staff 1962

One of the most important areas in school administration is the activities office. This office is headed by Mr. Houston B. Sizer who is ably assisted by his secretary, Mrs. Evelyn Foley. Some of the duties of the Activity Office are the handling of textbooks and school supplies and the scheduling of all athletics and extra-curricular activities. Also the Activities Office controls the school's finances. The duties of the Activities Office are never ending and entail much responsibility.

## Girls' Attendance

Mrs. Martha Crute, who is in charge of the Girls' Attendance Office, calls absentees, while assistants, Linda Brewton and Martha Daniels, check absentee cards. An accurate and complete check must be made each day for the absence of each girl.

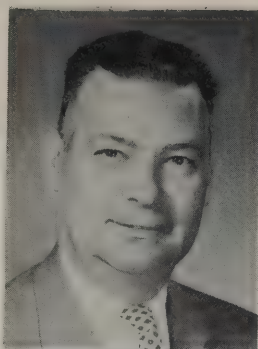

Mrs. Crute also deals with family problems which may confront students and is always willing to help those who come to her.

Mr. Paul H. Steagall, Jr., who is in charge of the boys' attendance, issues excuses, as well as advice, to the boys who have been absent the day before. Mrs. Janet B. Francis, Coordinator of Guidance, helps us plan our schedules for the following year. Mrs. Martha C. Crute, who is in charge of the girls' attendance, is always willing to listen to the problems that the girls have at home or at school. Mrs. Ruth J. Staton, Senior Advisor and College Counselor, helps the seniors with their problems of the future and helps each one to choose the right college for him. Miss Anna Gray Cronise, Vocational Office Training Advisor and Counselor of Business Students, helps the business students to make the right choices in the business world.

Mrs. Essie Page, Mrs. Mildred Slusser, Mrs. Pauline Howell, Mrs. Lucy Wills, and Mrs. Virginia Dickerson were always ready for the first of our three lunch periods to begin. Under the capable management of Mrs. Howell our lunches have been varied, well prepared, nutritious and good!

These new teachers at Jefferson came from many different teaching positions and colleges and have added much to our curriculum.

*First row:* Miss Florence Tucker, Mathematics; Mrs. Betty Tisinger, Art; Mrs. Helen Baird, Latin. *Second row:* Mr. Adams, French and Spanish; Mrs. Vivian Bender, English; Miss Virginia East, Physical Education; Mrs. Beverly Osterhoudt, English, Business Education; Mr. William Benson, History and Physical Education. *Third Row:* Mr. Joseph Downing, Chemistry, Mr. Robert Price, Biology; Mr. Charles Hellard, Mathematics and Physical Education; Mr. Leon Tomblin, Distributive Education. *Not Pictured:* Mr. Gene Ferguson, Choir; Mr. Andrew Hull, Band; and Mrs. Janet Francis, Guidance.

## TEACHERS

Our eight student teachers from Longwood this year were here for the first quarter of the school year. Their student teaching was beneficial both to them in gaining experience and to the students. Although their stay was brief they were missed afterwards by both students and supervisors.

*First row:* Emmy Lou Critcher, Helen Fox, Margaret Shumate. *Second row:* Linda Poss, Emma Carpenter, Kaye Huffman. *Not Pictured:* Jane Martin, and Elizabeth Kelsey.

Mrs. Virginia Wright has performed her duties of cleaning up after us day after day for the past four years. All students and teachers consider her an integral part of Jefferson High School.

Mr. Edward L. Gillispie is the Head custodian at Jefferson. He has been with us for the past six years. Here he was doing one of his many jobs in keeping the school in good repair.

Miss East and Miss Bentley are our Girls' Physical Education instructors.

---

## GIRLS' PHYSICAL EDUCATION DEPARTMENT

Miss Bentley and Miss East have prepared a well-rounded physical education program adapted to the needs of the individual students. This program includes intramurals and inter-scholastic sports to promote competition and physical activities, and health classes to promote better understandings of the health needs in our community.

Miss Bentley, coordinator of Health and Physical Education for the Roanoke City's

Schools, serves Jefferson in several capacities which consists of sponsoring the cheer leaders, teaching classes in Health and Physical Education and is advisor to Girls' Athletic Association.

Aside from Miss East's instructive duties she coaches all varsity and junior varsity sports.

Physical Education plays a very important part in the lives of Jefferson girls.

## COACHES

Jefferson is very lucky to have had such fine coaches as these. We give our thanks to these men for a job well done.

Mr. Benson, track coach; Mr. Hellard, golf coach; Mr. Downing, football coach; Mr. Price, baseball coach; and Mr. Byrd, basketball coach, guided athletic teams during a very successful year for Jefferson.

*The Class of 1962*

Senior Class Officers: Jimmy Sledd, President; Yvonne Crouch, Vice President; Jackie Null, Secretary; Mary Ann Lancaster, Treasurer

At last BIG SENIORS Class of 1962. Simply knowing we were seniors created a feeling of closeness among all members of the class. We will always remember academic, athletic, and social experiences of this wonderful year. They are memories that will live forever. This year we closed one door and opened another; closed the door of our lives here at Jefferson, and opened it to the future. But wherever we go, Jefferson will always be an important part of our heritage. "Forever we'll be faithful, dear Jefferson to thee."

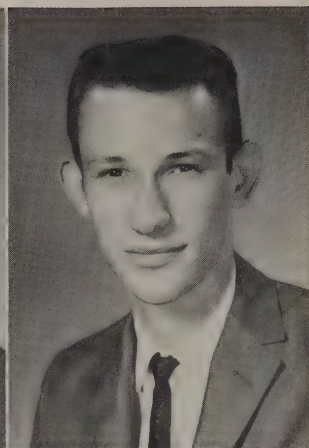

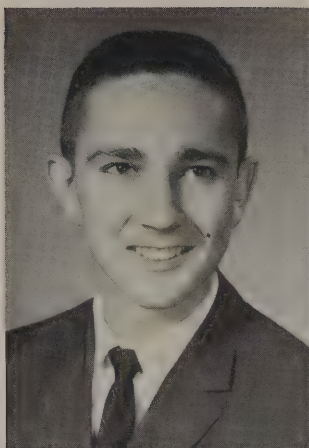

The class of 1962 was represented on the previous page, 21, by Sherry Hillman, Jackie Null, Nancy Runyan, Julia Stanley, and Lewis Layman hard at work on that most typical of senior activities—senior themes! At the card catalogue Mrs. Ruth Dorsey, head of the English Department, helped Phyllis Wilson in her research work.

Civics and English are the two academic subjects which are required during the senior year in order to qualify for graduation. Walter Keith, Mr. Frank Smith, Maurice Goad, Betty Possin, Richard Steele, Linda Drescher and Linda Crooke were discussing an interesting problem, in relation to this course before class began.

## Senior Counselling

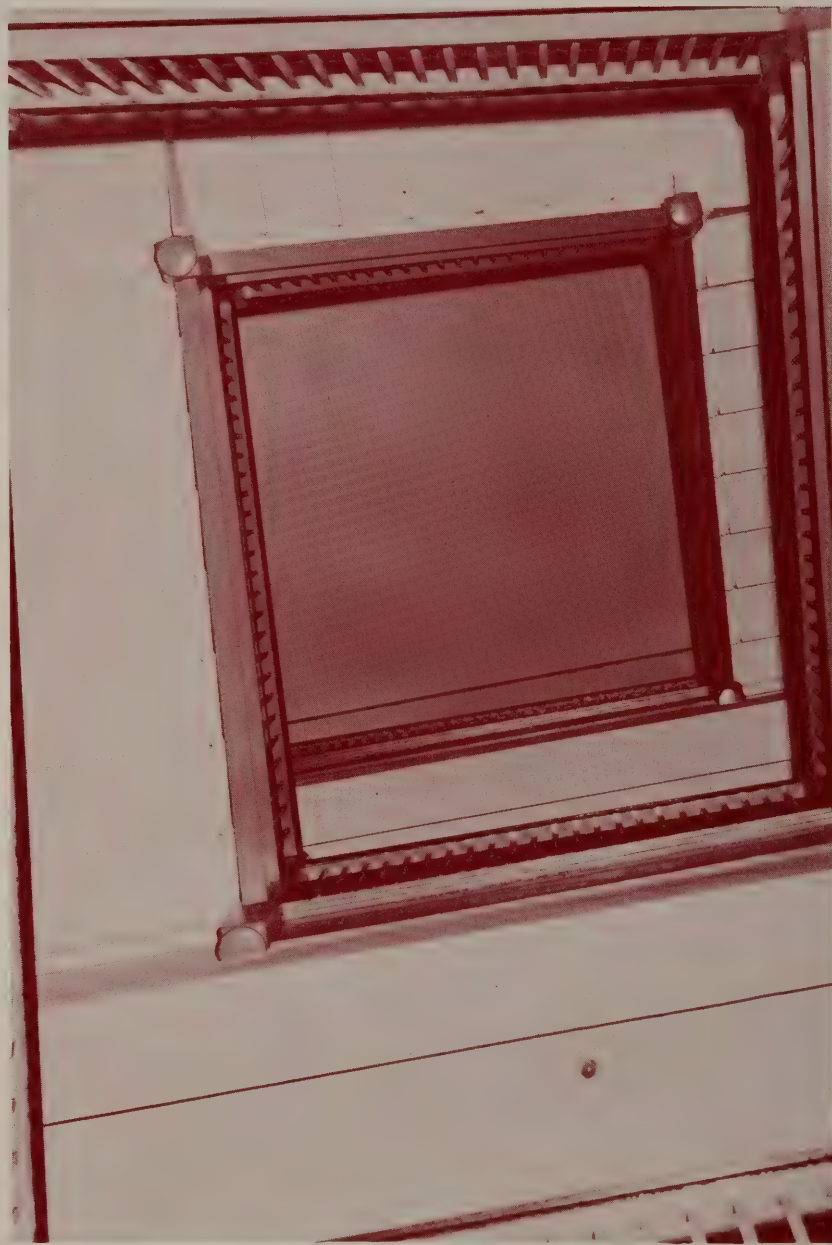

Mr. White, our principal, met informally with all of the seniors in small groups, six or eight students at a time, during the fall. This Senior Counselling period was very helpful to each of us. Above he chats with one of these groups which includes Sharon Anderson and Judy Caldwell.

Miss Leila Stalker, sponsor of the National Honor Society, Mrs. Ruth Staton, sponsor of the Quill and Scroll Honor Society, and Mr. Joe Cohron, Sponsor of the Thespian National Honor Society, with seniors Mike Ewers and Susan Merkel looked over the first shipment of books for sale to the student body. Profits go to the honor societies. New this year, it was very popular with the students.

*Ground*  
 This year has really flown by but we've had some great times in Chemistry together. Mr. D. is really a swell kid (if you like goats)! The Prom was really great and I couldn't have had a better time with anyone else. The cabin party was a little wild (for me) but a blast anyway. **CLASS OF 1963** and maybe next yr. we see each other this summer year at Radford (and Tech) to see each other. We will always remember the hard work and the fun we had working on the Junior-Senior Prom. Even though this has been a wonderful and unforgettable year for us Juniors, we are looking forward to next fall when we will become Seniors.

Sophomore orientation was behind them and senior themes yet to come.

Dear Donnie

I have enjoyed being in your classes this year and I wish you the best of everything in the future (including children, marriage, college, & everything else). Well you have been a devoted Annual Staff member & a real help to everybody. I know you had a blast this year & as I will not say I hope you did. As you know you made a little bet with me & I am going to remember it, so you'd better back off. Hope you have a heck of a nice summer & I know you will because you're just a very delightful person. I'll have to admit that I have never seen anyone as happy as you are all of the time. You're really

gay & all that. As I say you'd better finish college so you can be a good old Physical Education Teacher. You'd make a good one with the 8-10 you have. Make Radford as gay as you have Jefferson and you have fulfilled a great deal. I guess I won't see you next year as you're a senior. Right!! I've enjoyed our little episodes & good ole Annual Staff. Hope to see you this summer & study hard for those exams especially Chemistry. I know you will be a success

## — THE CLASS OF 1964 —

We sophomores who have come to Jefferson for the first time have found here a new and exciting experience. We will remember in the years to come the football and basketball games, pep assemblies, exams, the apprehension we felt in coming to high school for the first time, the many new friends we have met here, and most of all, the excellent school spirit.

In many ways we sophomores are fortunate to be coming to Jefferson this year, for since we have fewer students, there are many more opportunities for us to prove our initiative in the clubs, teams, and other organizations.

We have all come to the realization that we have a responsibility to our school, to carry on the tradition of Jefferson and to keep Jefferson the best high school in the city. Now we become Juniors!

On the preceding page, 75, a sophomore English class was photographed during an orientation program in the library last September. Miss Miller, our librarian, familiarizes each group of sophomore English students with our Jefferson library facilities early in the school year.

## THE SCIENCE CLUB 1961-62

The Jefferson Science Club promotes enthusiasm for science, to encourage better science projects, and most of all to stimulate more interest in science in all students.

The Science Club enjoys field trips, annual speakers, and worthwhile discussions about science.

Special trips were taken to Washington, D. C., University of Virginia, and Oak Ridge. These trips were designed to give an opportunity to students to further their specific projects. The last two were concerned with atomic energy, a subject of prime importance to the world today.

On the lower previous page the Science Club officers Nancy Geary, Corresponding Secretary; Peyton Bradshaw, Vice President; Mr. Wilson, Advisor; Yvonne Crouch, Secretary; Dave Denson, President, and Gordon Jessee, Treasurer are discussing plans for the coming Science Fair.

The officers of the Library Club are President Gelene Stanley, Vice President Barbara Brown, Secretary Edith Sweeney, Treasurer Brenda Clingenpeel.

## LIBRARY CLUB

The library club is a favorite device for bringing pupils into an intimate working relationship with the library.

Under the direction of Miss Miller, the girls of the library staff work hard during their study halls, replacing books on shelves, checking in new magazines, sending slips for over-due books, and doing all of the other jobs necessary to keep our library running smoothly. The duties of these girls are pleasant and educational, such as meeting the public, helping others to gain a wide knowledge through books, learning the use of the Dewey Decimal System, and giving valuable service to those privileged seniors as they write their senior themes.

*First row:* Sue Hudson, Marve Ridgeway, Frances Nelson, Joyce Saunders, Mary Young, Donna Powers, Miss Kerlin, Sponsor. *Second row:* Darla Fulton, Tommy Keiffer, Judy Caldwell, Dianne Waldron, Betty Amos, Brenda Clingenpeel, Izetta Beckner, Ann Gordon. *Not pictured:* Linda Crook, Linda Drescher, Claire Logan, Malcolm Thornton, Christine Altum, Rose Mary Henegar, Lynn Johnson, Dawn Burnette, Chyrl Dickerson, Carolyn Mills, Sandra St. Clair, Judy Smith, Peggy Staton

## JUNIOR RED CROSS

The Junior Red Cross is an organization which is composed of representatives from each of the home rooms. The members do voluntary nursing in connection with the Junior Red Cross. They make cookies, collect crossword puzzles, and plan entertainment for the Veterans.

At the top of page 85 Mr. Adams is teaching his program French class with the aid of tape recorders. Through this program the students are able to learn faster, learn more, and retain in memory longer the material taught. Participants in this class include Jackie Null, Julia Stanley, Judy Caldwell, Betsy Gwynn, Robert McDaniel, Robert Cooper, and Richard Ewers.

## THE VOICE OF CHRISTIAN YOUTH

The Voice of Christian Youth was organized a number of years ago by a group of students who felt that such a club should be a part of the activities program at Jefferson. While it is not a large club its members are dedicated to the ideals upon which it is founded. This inter-denominational group has as one of its aims the promotion of Christian fellowship among the students at Jefferson.

V. C. Y. meets once a month. The programs are both inspirational and recreational in nature. Miss Goodwin is the sponsor.

## STUDENT COOPERATIVE ASSOCIATION

The Student Cooperative Association is the governing body of our school. Everyone is a member of this organization directly or indirectly. The home room presidents and members of prefect represent us in the meetings. They help to make the laws which are subject to approval by Mr. Denison and Mr. White.

Some of the projects which we the Student Cooperative Association sponsor are: Orientation for Sophomores, American Education Week, Commandment Week, Midnight Winter's Dream, the Christmas Dance, and Island Madness, the Spring Project as well as the publishing of the Student Directory.

This year the Student Cooperative Association sponsored the drive to raise money for the Foreign Exchange Program so that Jefferson can send a student to a foreign country to study if possible. If not Jefferson will get a foreign exchange student within the next two years.

The Student Cooperative Association also sends representatives to the District Meeting, Southern Convention, State Convention and Boys and Girls State.

The officers of the S. C. A. are: Mike Moldenhauer, President; Marybelle Emick, Vice President; Julia Stanley, Secretary; and Billie Sue Board, Treasurer with Betsy Gwynn Corresponding Secretary appointed by the members of Prefect.

Student Cooperative Association is the link between administration and the students in our school.

## JUNIOR CLASSICAL LEAGUE

The Latin Club has twenty members this year. The sponsor is Mrs. Helen Baird. The purpose of this club is to give the student a deeper appreciation and understanding of the English language, a broader concept of our heritage from the past and a helpful approach to the study of modern languages.

In studying Latin vocabulary, grammar, and composition, the student also studies Roman history and literature—in the original Latin.

The Latin club meets once a month.

The league is an international organization and part of the Pan-American Union of twenty-one American nations. Our Jefferson chapter which received its charter on March 30, 1943, is known as "Los Amigos Vidos".

This year the club has forty-one members. One of the high lights of the year's activities was the traditional Christmas program. The advisor of the Pan-American League is Mr. Adams.

## FUTURE TEACHERS OF AMERICA

The Future Teachers of America is a national organization opened to any student who is interested in the teaching profession as a career. The purpose of the organization is to encourage the development of personality, character and cultural traits and characteristics, which are the foundation stones of successful teaching.

Our activities during the year included Career Day during which each member visited a school of his choice in the city for one day during the month of April, thus observing National Career Month, and a visit to the West End School for handicapped children. We had an international program with interesting and educational slides contributed by one of Jefferson's faculty members, Miss Leila Stalker. Panel and informal discussions of the pros and cons of teaching, with inspiring and helpful speakers from the various educational levels were held frequently.

We also took a tour of local business concerns, newspaper, radio and TV. Our City Wide F. T. A. Dutch Treat was held at the S&W Cafeteria which had International Relations as its theme. Signature name cards were sold to the Senior home rooms.

## —FUTURE BUSINESS LEADERS OF AMERICA—

The Jefferson FBLA has a very active chapter. Some of their activities include tours to local offices and businesses, outstanding speakers, a parliamentary law short course taught by Mrs. William Powers, registered parliamentarian, and active participation in the Radford Region and State activities. They also participate in the NOMA and VPI spelling contests, the essay, Miss FBLA, bulletin board, exhibit, and public speaking contests.

A Christmas dinner at the S&W Cafeteria has become a highlight of the year. Members also take active parts at the Massanetta Leadership

Training Conference at Massanetta Springs in August. The State FBLA Convention was held at Hotel Roanoke on April 28. Last year the Jefferson Chapter won the NOMA trophy for having the most points for participation at the Radford Region. They placed second in the state for the NOMA Trophy. Every year the Jefferson Chapter has representatives at the NATIONAL FBLA Convention. This year it will be held at Cincinnati. Through these activities the FBLA builds aggressive and competent business leaders. The FBLA is a continuation of business education.

Mr. Houston Sizer, our business advisor, also cooperated with us in many other capacities.

The combined efforts of all members of the staff headed by our editor-in-chief, Robert Shropshire, have resulted in the *Acorn* 1962, which we hope will be symbolic of our traditions and our school spirit not only to us, but to "old grads" and Jeffites yet to come.

N. G. T. E. Winners—Edith Sweeny and Mike Lloyd represented Jefferson in the nationwide N. C. T. E. examination given in the spring. They were selected from Junior English students on the basis of their ability in English composition.

During lunch time many students go out on the black top to get cokes, to smoke, or just to talk to other students.

Fifteen of Jefferson's seniors helped in the promotion of Downtown Roanoke. They were Marybelle Emick, Kathie Bancroft, Judi Smith, Sherry Hillman, Carolyn Buckelew, Sue Hudson, Gelene Stanley, Yvonne Crouch, Jackie Null, Linda Corkum, Betsy Gwynn, Sue Hicks, ~~Angella Owens~~ and Carol Sink

The 1961 football team may have been a disappointment to some Magician followers, but to the coaches, players, and student body, extreme satisfaction was the overall feeling. In 1961'2 a strong foundation was built for the future and when the climax has been reached we will remember the pioneering spirit of the 1961 football team.

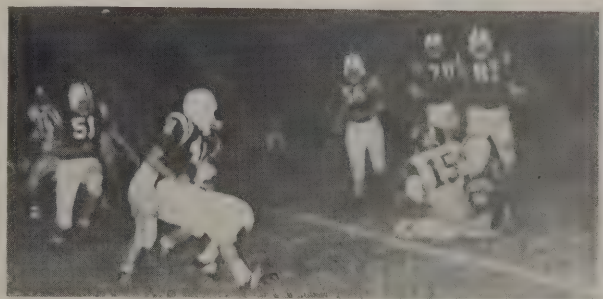

On page 124 at upper left Roger Kinsey (43) gets the rebound as Mike Ewers looks on. At upper right Coach Marshall Denison is showing Jimmy Null and Malcolm Thornton a wrestling maneuver. Below the Magicianettes drill in front of Jefferson. The team will lose height and experience this year in Roger Kinsey (6'6"), Jerry Baker (6'4"), Mike Ewers (6'3"), Jimmy Sledd (6'0"), and Bobby Price (5'8"). The averages of the top four players, were: Roger Kinsey 15.65, Jerry Baker 15.60, Richard Ewers 7.8, and Jimmy Sledd 6.3.

## WRESTLING

The "Red Raiders" had a very tough year, as far as dual-team is concerned, this was due to the lack of light-weights. However, they fared better at Western District and State Tournament, Jimmy Null was Western District champion in his weight division, Jerry Payne was fourth in his weight division. In state Jimmy Null won fourth, Jerry Payne was defeated in the preliminaries. The team standing in state was better than it has been for several years.

First Row: Joey Jamison, Jerry Walters, Cephas Huffman, Ronald Grant, James Blount, Ray Huffman. Second Row: Malcolm Thornton, Jimmy Null, Jerry Payne, Mike Slusher, Kenneth Webb, Mr. Denison.

The Jefferson Track Team opened a busy schedule of meets in February with Henry Kirk, Joe Kahle, Charles Aird, Mike Lloyd, Ray Rice, Danny Crawford, Richard Ewers, Jimmy Hobbs, and Jimmy Null running in the meet at V. M. I. in Lexington.

The indoor season began with a four-way meet in March with Jefferson's small but powerful team finishing second.

During the next few weeks the Thinclads had several important meets, including the Danville Relays, Buena Vista Relays, the Western District and the State Meets.

Yvonne,

Well, the year is almost up now and we will be going down separate paths towards happiness. May God always be with you in whatever you may do. It's been wonderful knowing you these past two years and listening to each other's sob stories. Both Suzanne and I will never forget you. If a certain boy comes to Koonok this summer, I'll get in touch with you.

If I never see you again after school ends then I say again, may God be with you in whatever you may do. Hope you find as good a husband as I have found a wife.

Best of luck always.
